STORY OF BEER

WITBIER (WHEAT BEER)

ABV 5-6%

Belgian wheat gets its cloudy texture from high wheat content. Spiced with coriander & orange peels to give a crispy & tangy taste with a lively feel of carbonation.

PREMIUM LAGER

ABV 4.5-5.5%

Brewed with pale colour along with moderation of hops & bitterness that is associated with classic pils. This beer offers more malt-forward characteristics.

STOUT

ABV 6-7%

Brewed till perfection. The beer is dark in colour with a rich creamy head along with mellow flavours of oats, chocolate and roasted malts. They are balanced perfectly with the right amount of hops for a bittersweet finish.

IRIS RED ALE

ABV 5.5-6.5%

It is a deep red-coloured, top-fermented beer that is full of spiciness and fruitiness. It is a thin-bodied, refreshing, light-mouth drink with a balanced happy finish.

WHEAT MANGO BEER

ABV 6-7%

As the name suggests, it is a refreshing blend of mangoes with a crisp and distinct flavour. Enjoy the sweetness of fresh wheat and mangoes, brewed with the utmost care, to give you an unforgettable drinking experience.
